Los Alamitos Entertainment Unit Student Sponsorship

Dear _____,

I have recently earned a performing spot in the Los Alamitos High School Entertainment Unit. The award winning 120 entertainment unit consists of students ranging in age from 14 to 18. We all share a passion for music performance and artistic excellence. The Griffins have only been competing for a few years and already we are among the best in our division.

Being a part of this exciting experience is an once-in-a-lifetime opportunity. My share of the costs to sustain the level of excellence demonstrated by the music program is over \$1,000. I am asking for your help with this cost. The student sponsorship program is a way to help me pay for my participation in this great youth activity.

Any amount you can give will help. Simply complete the bottom portion of this letter, detach, and return it to the address listed below. The treasurer will credit my account accordingly. The Los Alamitos High School Entertainment Unit represents an amazing life-changing experience, and I sincerely appreciate your support and consideration of my request.

Respectfully,

Los Alamitos High School Student Sponsorship
